## Replacement Meat for Cut Bait Rigs

RM01 Glow

RM02 Sour Grape

RM03 White

RM04 Oil Slick

Warrior Lures' new Replacement Meats for Cut Bait Rigs. Each "meat" has a bendable "backbone" that allows you to create motion in different ways to more accurately resemble real cut bait. Soft and durable, Replacement Meats will last longer and fish harder than cut bait.

### Features:

- 5 inches long, approximately 1 inch tall and approximately 3/8" thick
- Reuseable
- Backbone provides support for reuse and hooking points for cut bait rigs of different sizes and types
- Fits all standard cut bait heads
- Backbone is bendable to simulate dead or injured fish
- Coated in glitter to simulate scales
- Glow color (RM01) created using the same glow material used in Hot Glow spoon finishes

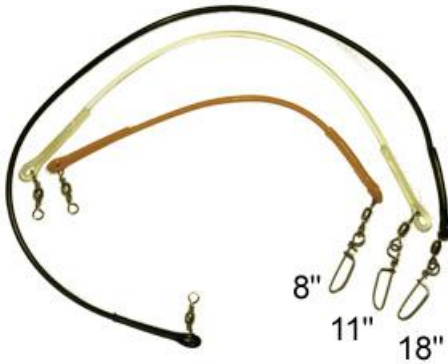

Sold in packages of 2 meats.

RM05 Black

## Snubbers

Real protection for your expensive gear; dodgers, rods, divers, planer boards, reels, downriggers, tackle and outriggers. Snubbers absorb unwanted shock, extending the life of your equipment.

Standard Snubbers

Available in Black, Orange and Clear in 8, 11 and 18 inch lengths.

Planer Board Snubbers

Heavier material for a heavier load. 12 inches, Available in Green and Orange.

Walleye Snubbers

Lighter weight for use with lite line and Walleye tackle. 11 inches long, Clear only.

\*\*All snubbers include a swivel and a swivel clip.
